July 23, 2012

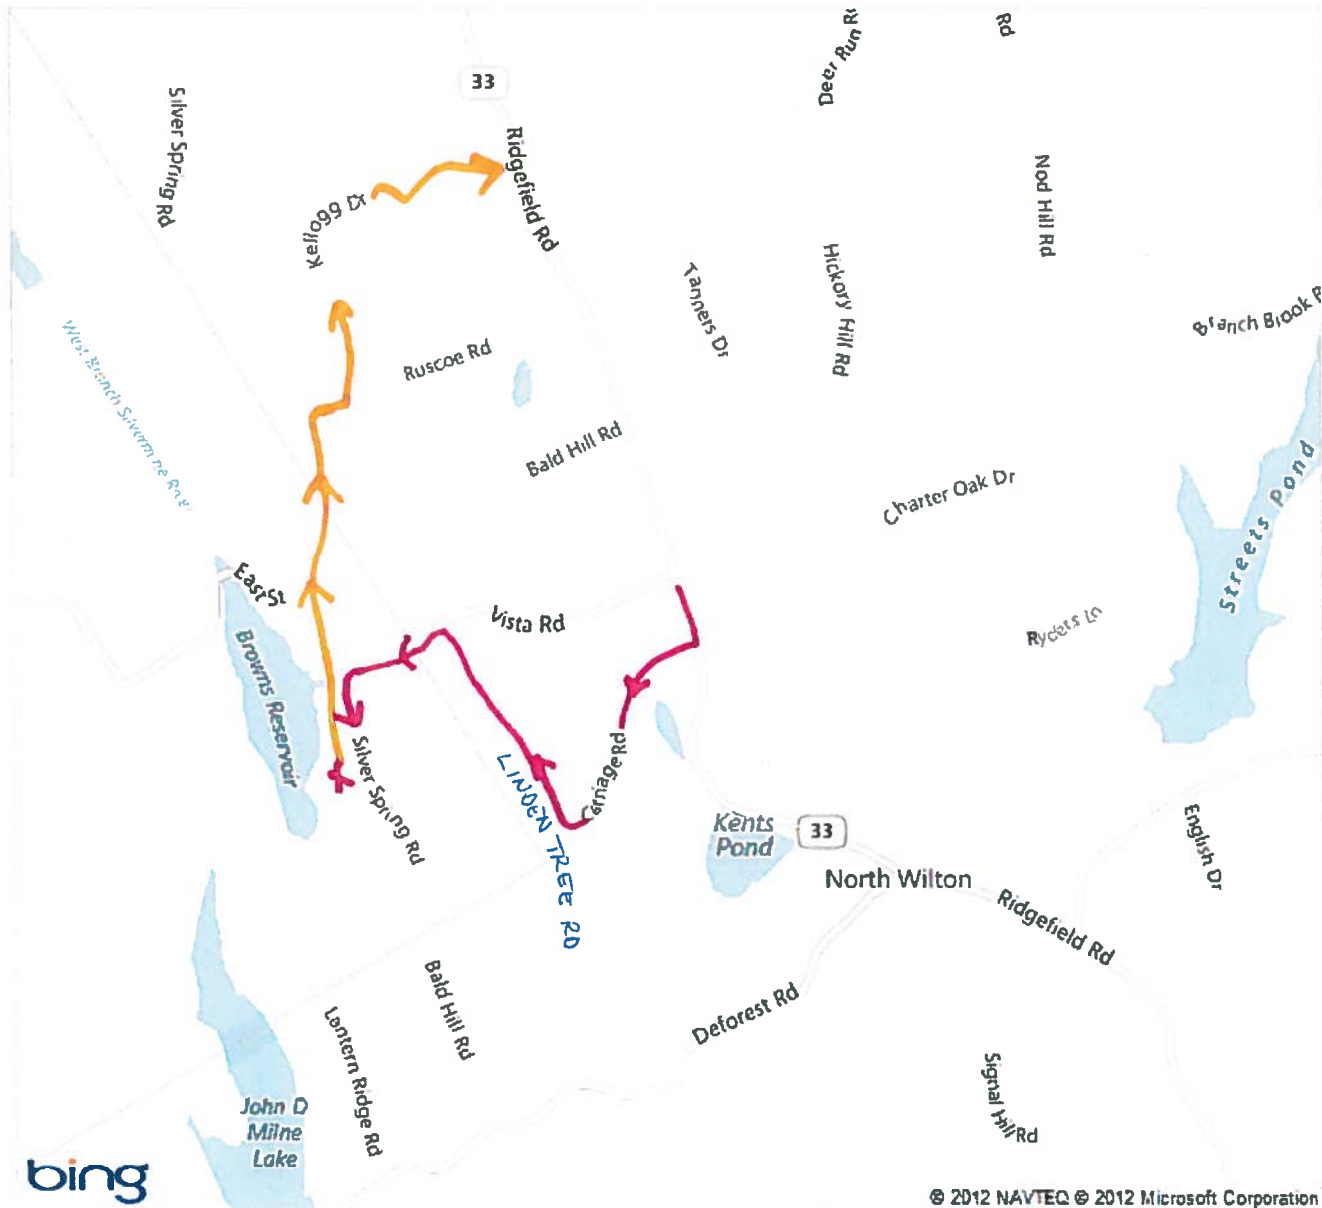

The First Taxing District Water Company has announced that they will resume delivering fill to Brown's Reservoir starting Monday July 23, 2012. The trucks will be operating according to the negotiated routes (see attached route maps below). The Water Company expects the trucking of fill to take up to three weeks. The permitted hours are 7:00am to 3:30pm.

The First Selectman and Wilton Police have worked with the Water company who agreed to hire an officer to monitor the truck delivery routes on a daily basis while the trucks are delivering to the Brown's Dam project. There will be one officer with a cruiser and speed detection equipment each day. The officer will be posted along the routes to ensure they (trucks) operate safely, slowly and obey all traffic laws. Additionally, they will address any complaints regarding the trucking operation.

We thank you for your continued patience with this difficult process. Any new information or changes will be sent to you in a timely manner.

MONDAY:
ENTER Carriage Rd. to Linden Tree Rd.
to Vista Rd.
EXIT Silver Spring Rd. to Ruscoe Rd. to
Kellogg Dr.
