For Immediate Release
August 16, 2011

The Connecticut Department of Transportation will be commencing a milling and paving project this week along Rt. 7, beginning in Norwalk in the vicinity of the Merritt 7 complex and proceeding north into Wilton and ending at Wolfpit Rd.

The project work hours are Monday through Thursday beginning at 8:00 pm each evening and going until 5:00 am the next morning, and on Friday's beginning at 10:00 pm until 7:00 am Saturday.

The project is tentatively set to complete by September 13, 2011.

Police officers and flag personnel will be present each night to assist motorists, however some delay should be expected.
