**Alternating One-Way Traffic During Water Main Work Scheduled at
Intersection of Route 7 & Cannon Road in Wilton**

Wilton, Connecticut – The Connecticut Department of Transportation is announcing that water main work at Route 7 and Cannon Road will require alternating one-way traffic on **Thursday night May 7, 2009, between 8:00pm and 6:00am.**

Aquarion Water Company will be shutting off the water supply at the intersection of Route 7 and Cannon Road to allow work on the water main in this location.

Area residents and businesses will NOT be affected by the shutdown.

The water main work is in association with the reconstruction project on Route 7 in Wilton that will accommodate two travel lanes, both northbound and southbound, for a length of approximately three miles from Wolfpit Road to Olmstead Hill Road. The project is scheduled for completion in 2010.
